NEWS RELEASE

PT ANDALAN SUKSES MAKMUR (PT ASMR) CLARIFIES ON GREENPEACE REPORT ON

22 NOVEMBER 2013

Jakarta, 27 November 2013 – PT ASMR (the Company) would like to respond to the above report published by Greenpeace on 22 November 2013.

The Company would like to explain prior to 22 November 2013, it was not an RSPO member and therefore had followed ISPO Regulation and internal sustainability practices. It had completed the Social & Environmental Impact Assessments (SEIA/AMDAL) and also the High Conservation Value (HCV) by competent independent assessors before land clearing activity.

The Company would like to reiterate prior to 21 November 2013 it had not made commitment to stop land clearing and planting. That commitment was made by PT Ladang Sawit Mas, another subsidiary of Bumitama Agri on 14 October, 2013. Since the press release by PT Bumitama Gunajaya Agro on 21 November and the decision for PT ASMR to be RSPO member, the Company had stopped land clearing on that date.

The Company is now committed to the RSPO and will subject itself to a third party audit as recommended by the RSPO to ascertain PT ASMR compliance to the RSPO P&C.
