NEWS RELEASE

Jakarta, 10 February 2014 – Bumitama’s RSPO Journey Update

PT. Windu Nabatindo Lestari (WNL), a subsidiary of Bumitama Agri Limited (Bumitama) had just completed an independent certification assessment of the RSPO P&C by the certification body, PT Mutu Agung Lestari on the 30 January 2014 and was given a perfectly “clean bill of health” by this certification body. The managers and staff of WNL, as well as the various other supporting departments involved in this process especially the Sustainable Department are looking forward to the completion of this first RSPO certification in Bumitama after the report from the Certification body is reviewed by the RSPO.

The management of Bumitama is very encouraged by the level of commitment and teamwork shown towards its sustainability journey. Over the course of two and a half months since the press release dated 21 November 2013, Bumitama had submitted 5 New Planting Procedures (NPP) for review, completed two independent audits recommended by the RSPO as part of the complaint resolution process as well as two independent certification assessment. The Sustainability team has also been actively engaging the complainants and the RSPO, working systematically towards the resolution of the four complaints with the RSPO.

Bumitama assures all its stakeholders of its commitment towards the community and the environment and will continue to work closely together with the RSPO.
